(PANT) WE'VE BEEN RUNNING FOR TEN MINUTES! HOW LONG ARE THOSE THINGS GOING TO FOLLOW US?!
Just keep running!

Blitz? Blitz! Not you too!
I CAN'T DIE, I NEED TO GO HOME, SHE NEEDS ME. BUT THE WATER JUST GOES ON AND ON AND ON-
BLITZ, IT'S NOT REAL! THE GAS IS MAKING YOU SEE THINGS!

Blitz!
Where are you?! Damit, I can't see anything in this gas...
That's funny. I can see you just fine, Credenza.
Snow! I knew you'd show up sooner or later.
You wound me! Is that any way to speak to an old friend?
Something...
Something isn't right about this...
You still have your arm! You're not Snow, just an illusion.
Ooh! How clever! Give the girl a cookie.
You only exist in my head, you can't hurt me.
Such cold words. Was it that coldness that let you abandon Uru?
What? No! I didn't abandon Uru, he was my friend!
But you still left him behind. You left him with me.

CREDENZA!
WAIT! THERE SHE IS!
HSSKK...
HSSKK...
It still plagues your dreams, doesn't it?
If it hadn't been for you, Uru might have lived.
You didn't see it, but you didn't need to. No slave ever survived.
Except for one little girl...
NO! Don't touch me! Uru's alive, I know he is!
STOP BABBLING AND BLOW THE STUPID WHISTLE! I DON'T HAVE LUNGS OR I'D DO IT MYSELF!
I'll never stop looking for him! I'll never- *pop*
